## PROGRAM FOR STUDENTS

This program will provide academic enrichment, college preparatory and career awareness workshops for students.

### Program Activities

- Students will receive homework and SAT assistances from qualified tutors.
- Assist students in their understanding of the connection between academics, careers choices, and the world of work.
- Students will be exposed to information on different careers and colleges to motivate and provide them with directions for their futures.
- Assist students in writing personal statements or essays; completing Free Application for Federal Student Aid (FAFSA); searching for scholarships; and visiting colleges.
- Provide youth leadership workshops to enable students to develop youth-led initiatives that will bring youth and adults, who play supportive roles as mentors and facilitators, together to identify, develop, and execute community service projects.

Improve the safety and healthy lifestyle of students

### Objectives

- Provide nutrition and healthy lifestyle workshops to prevent tobacco use, overweight, obesity, and related health problems.
- Provide conflict resolution workshops to learn how to use constructive, nonviolence approaches to handle and avoid conflicts in school, community, and home.

## PROGRAM FOR ADULTS

The program will target underemployed and unemployed adults by providing job training and development sessions.

### Program Activities

- Provide workshops on typing and using Microsoft Office, Internet and office automation tools.
- Assist with job searching, writing résumé and cover letter, completing job applications, and developing interviewing skills.

- Provide workshops to develop attributes that employers have always looked for — reliability, a positive attitude, and soft skills (e.g., ability to work in groups of various backgrounds and to communicate effectively).
- Assist with the preparation for the GED examinations.
